# Happy Nurse's Week

*Dear Nurses, Personal Support Workers and Renal Aides*

*I would like to take this time to wish you a wonderful Nurse's Week. As you are aware CUPE 1623 has always included the PSWs and Renal Aides in celebration of this week.*

*On behalf of the Executive and all our members we would like to thank you for all your hard work, dedication to the hard work you do, especially in this difficult time.*

*It is not easy being your profession especially during a pandemic, but we wanted to acknowledge you and remind you that we appreciate you.*

*Enclosed you will find a form called "Application for Membership". I would like to ask you to complete this form (if you already have not) as it is important for us to have your information and this form will allow you to vote for bargaining, etc. Please return this form either via email to [recording@local1623.ca](mailto:recording@local1623.ca) or to one of the list executive members.*

*Please accept this small token of appreciation on behalf of all of us at CUPE 1623.*

*In Solidarity,*

*Lise Morrissette  
President*
